Re: CCA No. PD-1012-16; Lanny Marvin Bush v. State of Texas

Dear Mr. Acosta:

Thank you for your letter of January 19, 2017 inquiring whether I was representing Mr. Bush in the above-captioned matter.

On October 20, 2016, I filed *Appellant's Motion for Extension of Time to File Response to State's Subsequent Petition for Discretionary Review*. By notice dated October 21, 2016, I was advised Appellant was representing himself, and as no hybrid representation is allowed, no action would be taken on my motion. I followed up by telephone to the Court on this same day and was similarly advised that no communications or briefs on the PDR from me would be acknowledged. As a consequence, I did not prepare a response to the *State's Subsequent Petition for Discretionary Review*.

Would the Court please confirm whether I may represent Mr. Bush in the state's PDR, or whether he is Pro Se? I have spoken with the clerk of the trial court who advises I should pose this question to the Court. Thank you for your consideration in this matter, and please contact me with any questions you may have.

Sincerely,  
  
Emily Miller
